VELUX flashing
required

Four ~~Three~~ great reasons to replace existing
skylights when you replace a roof

1. Save Money

The most convenient and affordable time to replace a skylight is during re-roofing of your house.

2. Coinciding Warranty

VELUX is the only skylight company to implement three layers of protection in our design, which allows us to offer an industry first, comprehensive "No Leak" warranty that covers the skylight and its installation against leaks for 10 years.

3. Improved Energy Efficiency

VELUX "No Leak" skylights offer Clean, Quiet & Safe glass (advanced Low-E3 coating) that provides more daylight and better heat control than any other glass previously offered.

4. Federal Tax Credit

And now there's even more ways to save with our
NEW Energy Performance Model skylight

30% Federal Tax Credit average **\$430⁰⁰**
savings on product and installation*

The VELUX logo is displayed in white capital letters on a red rectangular background.A red diagonal banner with the word "NEW" in white capital letters.

Energy performance and tax savings all in one box

IN THE BOX:

- ✓ **Skylight**
Triple LoE, dual-sealed, argon-gas-filled glass.
Meets ENERGY STAR® requirements in all climate zones.
- ✓ **Factory-installed solar blind**
Solar-powered, double-pleated, blackout blind.
Boosts energy performance by another 40 percent.
- ✓ **Intelligent touch remote control**
Simple set-up for seasonal automation optimizes
energy efficiency.

Seasonal automation reduces energy dependency and maximizes efficiency by allowing the homeowner to control blind positioning or the system to automatically optimize energy performance based on outside conditions.

Easy programmable remote control for winter and summer modes.

Blinds automatically close at night during winter months to maximize energy efficiency and reduce heating costs.

Blinds automatically close during the daytime in warm summer months to maximize energy efficiency and reduce cooling costs.

30% Federal Tax Credit

Receive an average of \$430 on product and installation with federal tax credit eligibility.
