

WHY CHOOSE WOODLAND?

Experience – Woodland has built its solid reputation on quality products, excellent service and expert craftsmanship since it was founded in 1969 by John and Ann Mariotti. From the original house on the corner to the current state-of-the-art showroom.

Knowledge and Expertise – As window and door specialists, Woodland representatives are very educated with the material, style and finish options for the many brands we carry. We will guide you through comparing and contrasting the different manufacturer's offerings to find solutions just for you. Visit our showroom to see and feel the products, get your questions answered or browse at your leisure.

Product Choices – Woodland offers an extensive selection of replacement and new construction, wood, fiberglass, aluminum and vinyl windows and doors. We offer quality name brand products including: Marvin, Andersen, The Woodland Window, Infinity by Marvin, Quaker, Provia, ThermaTru, JeldWen doors, TruStile, Simpson, and Masonite. Our knowledgeable staff is happy to answer all of your questions on the products and design options that fit your needs, your budget and the style of your home.

Finishing Options- Woodland offers pre-finishing to match your existing décor or create a custom look.. We also offer a customer sample to color match the stain or paint of your specific finishing choice. Our pre-finishing work is all done in Woodland's own 14,000 sq ft facility.

Craftsmanship – Woodland employs over 50 window and door professionals, including 20 craftsmen who install our products year-round. The installers are bonded, insured and drug-free, these are full-time W-2 employees, not subcontractors. Our installers receive regular manufacturer certification courses and use best practice methods like water management on every job. Woodland installations are done in the most thorough and professional manner making your window and door design dreams a reality.
